Oppose sb16

To the Judiciary Committee,

Hello,

Please OPPOSE SB16

Despite its bill title, this bill has nothing to do with stopping juvenile crime. What we need to do is keep criminals behind bars and stop targeting law abiding citizens right to defend themselves.

I also ask that you please also OPPOSE H.B. No. 5416

And please SUPPORT the following bills: S.B. No. 388, H.B. No. 5415 and H.B. No. 5412

Respectfully,

Michael Duncan
